## Norwich Rotary Club New Member Benefits

Rotarians gain many benefits from membership. Here are just a few of them:

- The opportunity to make a difference in the world both locally and internationally.
- The fellowship we share and the friendships we develop.
- The opportunity to work with and develop relationships with top leaders in the Norwich community.
- The opportunity to continue your leadership and professional development by serving on committees or on the Board of Directors.
- The ability to share and promote events and to cultivate support for your causes or organization.

Our club has many seasoned Executives, CEOs, business owners, Directors of Non-Profit organizations, and other community leaders who are motivated to make a difference. Our meetings provide our members inspiration, laughter, fun, and an avenue for providing meaningful service. We do and/or support many local and international projects. Speak to one of our Board members to learn more.

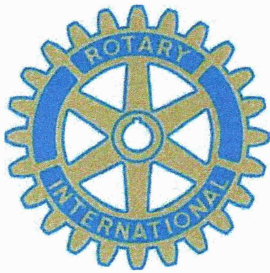

If you represent an organization or business that wants to make a difference in our community, wants to raise its profile among community leaders, and is committed to service and high ethical standards, we welcome you to join us for lunch and to apply for membership.
